

THE CHECK OUT CHALLENGE

The Check-out Challenge was a system-wide event for all libraries within the NIOGA Library system held in April and May of 2016. Every willing participant received a punch card with requirements on the card that had to be fulfilled to earn a punch. Streaming music or video, taking a selfie, connecting to our Wifi, or asking the librarian a question were just a few of the punches. The motivation behind this challenge was to bring awareness to the free digital services available at the library with a library card. A young Medina participant was the winner of the XBOX 360.

DID YOU KNOW?

In 2016 our community created and donated 200 quilt squares to the library to decorate our Christmas tree. After Christmas, the quilt squares were organized by color for patrons to create lap quilts. The completed quilts will be sent to local nursing homes and hospice in the community.
