Bike Mobile	1
Friends of the Library	1
Children's Programs	2
Teen/Adult Programs	3
Calendar of Events	4

## Director's Corner

**Thank you to those who voted at our Annual Meeting and on the Budget Vote. We appreciate your support.**

**"Fizz, Boom, Read!" is the explosive theme for this year's Summer Reading Programs. Miss Mack and Miss Mostyn needed little encouragement too concoct a series of explosively entertaining programs for all ages. Teens will have the added opportunity of becoming familiar with our new 3D printer, an amazing invention indeed. Apparently it's possibilities are endless, it's uses limited only by our imaginations.**

**For those of you who prefer a calmer summer, there are many, many good books to savor. Whether you like to indulge your reading habits lying on a sunny beach or lounging on an air-conditioned sofa, we hope you will be transported to other worlds, and that you will be entertained and illuminated.**

**Mark your calendars for August 22, when you can replenish your reading supplies at our Annual Book Sale, sponsored by the Friends of the Library.**

## Miss Mack's Bike Mobile Friends of the Library

Don't be surprised to see Mrs. Mack on the streets this summer. She'll be hitting the road on her "Bikemobile" to distribute books to children she meets on her travels. These gently used books will be for local children to keep for their home library, or to share with friends. After all, one of the reasons libraries exist is to help instill a love of reading in children. Why not give them a book of their own to love?

Children will be able to choose a book from a varied selection carried in a basket on her bike. Each book will have a bookmark with information on library programs for children. The Bikemobile will be in different neighborhoods one day a week throughout the summer. If you see Mrs. Mack, be sure to come out and say hello!

Are you interested in volunteering at the library? We are looking for people interested in actively participating in our Friends group. The Friends group raises money to support services and programs not funded in our budget. The Friends organize the Annual Book Sale and sell library tote bags.

For more information or to print out an application, you can visit the library website and look under the General Information tab or pick up a brochure from the kiosk by our front door.

If you are already a Friends member we thank you for all you do!

# Children's Programs
