Director's Corner

As we approach the end of another successful "Finally Fridays!" series, we would like to thank Go-Art and the Friends of the Library for their generous support. Simply put, we could not continue to offer the series without the funds they provide. The Friends of the Library is a non-profit group of volunteers who support library activities through membership dues, fundraising activities and service projects. Currently the Annual Book sale is the group's main fundraiser, supplemented by ongoing weekly book sales. In addition to co-sponsoring "Finally Fridays!", the Friends also supply funds for the weekly Park Program lunches in the summer as well as refreshments for other programs throughout the year. We welcome your donations of gently used books for re-sale. But, we strongly encourage you to "Friend us"! Family membership costs \$5. If you wish to volunteer, you may help with the Book sale, always a satisfying and rewarding experience. And, if you have not yet experienced our special live music entertainment on Friday evenings, please join us! You will be among friends.
