Director's Corner

As Fall approaches, we cannot but remember this time last year when we were in the throes of packing up the whole library for the Renovation Project. We're glad that's over! There are still a few remaining projects to complete. Several artists have expressed interest in the Children's Storybook Entrance Project. What a great opportunity to create a lasting piece of public art!

Recently we have been amused at a certain online retailer's new marketing pitch – Unlimited Reading..... for \$9.99 per month. We have a far superior marketing pitch – Unlimited Reading, Viewing, and Listening for no charge at all!

Be sure to pick up one of our yellow fliers which outlines all of our Fall activities. There truly are programs for all ages and interests. Miss Mack will lead the youngest patrons with some joyous music and finger plays. We will host Medina's first Comic Con on Sept. 12th. Also, in September we will have a golden opportunity to explore Downton Abbey. David Schwert & Pat McDevitt will bring us behind the scenes to explain the events that shaped the lives of our favorite characters. In addition, there will be Bedtime Math and Handmade Crafternoons, both of which sound intriguing!

Unlimited Fun!

Annual Book Sale

Thank you to all the volunteers who helped with the Book Sale this year. Also thank you to everyone who donated or purchased books! All of the money raised goes toward library programming.

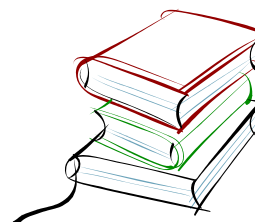

Library Comic Con

Lee-Whedon is holding its first Comic Con on Friday Sept 12th at 6:00 p.m. Come dressed up as your favorite comic book hero or sci-fi/fantasy character! Open to all ages, we will have a costume contest, super hero scavenger hunt, photo ops and more. Refreshments will be provided!

Following the Con at 7:00 p.m. we will be showing Captain America: The Winter Soldier. Popcorn will be served for the movie.

Did you know?

Lee-Whedon started an online book suggestion service in June. Answer a few questions about your likes and dislikes and we will send you a list of books to read.

Go to our website and look under the Services tab for **Suggest A Book**. This will take you to a short questionnaire. One week later we will email you a list of book recommendations based on your answers. If you'd like, we will also put the first 2 titles on hold for you.
