

Conflict of Interest Policy

The Board of Trustees of Lee-Whedon Memorial Library resolves that its members must scrupulously avoid any conflict of interest between interests of the Library on the one hand and personal, professional, and business interests on the other. This includes avoiding actual conflicts of interest as well as perceptions of such.

No member of the Board of Trustees, nor the Treasurer or Director, nor any member of their immediate families, nor any staff, shall personally benefit financially from any transaction made by or on behalf of the Lee-Whedon Memorial Library.
