

Gifts/Donations

Gifts of library materials (books, magazines audio-visual material, etc.) will be accepted with the understanding that the library reserves the right to add them to its collection, sell, or discard them. The library reserves the right to refuse large quantities of used material.

The library does not accept gifts with restrictions or special conditions, unless those restrictions or conditions are specifically accepted by the Library Board of Trustees prior to drop off.

Gift and donations will be judged by the same selection standards as purchased materials.

The library does not place a financial value on donated items; the responsibility for such assessment lies with the donor.
