

## **Unattended Children Policy**

The Library is always happy to encourage library use by our youngest patrons; however, it is essential that your child's safety and the rights of other patrons be observed.

- All children under the age of 10 must be supervised by an adult. Please do not sign up to use computers if this means your children will not be supervised by you or another adult.
- If a child is not able to leave the library without an adult, then he/she should not be in the library without an adult.
- Parents are responsible for the behavior and wellbeing of their children, ages 17 and under, even if they are not present.
- The Library assumes no responsibility for the whereabouts or behavior of an unattended child who has been asked to leave library property.
- If truancy is suspected, staff may call the Medina School District to enquire about an unattended child's status.
